**Dear Holyport FC Supporter,**

We are always very grateful for your help in running our fund raising lottery, unfortunately due to a banking error the Holyport Chance has had to end.

This has given use the opportunity to review other fundraising options and we are delighted to announce we have signed up to the Weather Lottery.

The Weather Lottery gives you the chance to have some fun and win cash prizes (up to £25,000). The Weather Lottery gives you much better odds of winning than other lotteries.

You will see from the leaflet enclosed that your entry will be in the name of our society and that for each £1 signed up Holyport FC receive 60 pence.

For just £4.34 a month you will have four chances of winning a cash prize.

***How does it work?***

The lottery game is based on the Fahrenheit temperatures recorded in six locations as published in the Daily Mail from Monday to Thursday. The winning numbers are also published online at [www.theweatherlottery.com](http://www.theweatherlottery.com), so you can check daily to see if you have won. But you don't need to – every player's numbers are scanned daily and winners are notified automatically and paid automatically.

Where else can you have all the fun of a flutter with the chance of winning up to £25,000 without the worry of where you've put your ticket, or checking your numbers.

More than 1000 societies nationwide are already benefiting from this unique fundraising initiative.

To help us benefit as well, please fill in the form and send it to the Freepost address, or sign up securely online – [www.weatherfunds.co.uk/categories/players/join-lightning.php?code=HOLFC](http://www.weatherfunds.co.uk/categories/players/join-lightning.php?code=HOLFC)

Your support is greatly appreciated. Thank you and good luck!

The Weather Lottery is Approved and Certified by The Gambling Commission for Great Britain
